

MYSORE DIVISION.

ADVERTISEMENT.

The 30th December 1892.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 15th January 1893, for constructing a bridge over the Canvery at Yedatore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1895.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A. M. and 5 P. M. daily.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for constructing a bridge at Yedatore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

V. H. KARVE,
Executive Engineer.

HASSAN DIVISION.

The 2nd January 1893.

Tenders are hereby invited for restoring Bediganhalli Tank, Registered No. 23—49, Channarayana Taluk.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's Office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 31st January 1893. The work should be completed by the end of January 1896.

4. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tenders will be received unless accompanied by a deposit of Rs. 500 as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicants in due course.
